# SONIC 2

THE HEDGEHOG

ABSOLUTE

Release: 1.2.1

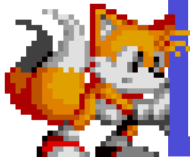

DOWNLOAD

1. Download from the above link.
2. Set up a new folder with the four files provided in the S2A download.
3. Copy your Sonic the Hedgehog 2 Classic APK into the same folder\*
4. Double click S2A Setup.bat

Everything else will be automatic.

To play the game, simply start **Sonic2Absolute.exe**

*\*if you already have a data.rsdk file, this can be used in place of the APK.*

## Updating Sonic 2 Absolute

Unzip a new release download into your current Sonic 2 Absolute folder (overwrite the four files when prompted), and rerun S2A Setup.bat.

Press Y when asked to overwrite the Data and Script folders.

Your settings and save data will be unaffected.
