Description:

This hack adds a ton of cut content back into the game, allows access to previously unexplorable areas, includes the additional music hack by Power Panda, fixes some bugs and offers some options to remove the linearity from the game. Full list of changes in the readme.

Glenn can be fully usable in human form if Magus is killed. Most characters have additional optional appearance changes as well.

In addition 1999 is fully explorable and offers tons of stuff to do. As well as more Easter eggs and quality of life improvements.

More stuff carries over like names money, fair prizes and cats.

The optional patches are explained in the readme.
