Publication date	2023-04-20
Topics	Project 06, Sonic, fangame, indie, demo, PC
Language	English
Item Size	7.5G

According to the developers, this is the third installment of Project '06's episodic releases and the full release of Silver's Trial Campaign accompanied by Sonic's & Shadow's Trial Campaigns with all kinds of improvements and enhancements.

This release contains every stage available in Silver's, Shadow's and Sonic's stories. However, we should note that it's not compatible with your older saves. That is of course if you've played the previous versions of this fan remake.

Subject: Question: Controller Support
I love sonic games, so this here is a huge step up to the OG. But the thing is, im not good with mouse & keyboard in those games. So, to address the elephant in the room, can this game support controllers? By that I mean, like, Xbox controllers not PlayStation.

Reviewer: katua87 - November 21, 2023
Subject: Problems with the game
Remember that the game is a demo, it is not yet finished and may present errors and bugs (although they are much smaller than what was presented in the official game). There is another Internet Archive user who has been responsible for uploading the most recent updates, you can go take a look

Subject: Pendulum problems
The giant pendulums have no weight to them. They're bouncing all over the place!

Reviewer: greenlumpo - ★★★★★ - October 12, 2023
Subject: amazing
i got this update a few hours ago and this game is a lot better than retail 06, can't wait for the last episode :)

Reviewer: LD-service - ★★★★★ - September 10, 2023
Subject: Story issue
I can't play story mode for some reason, how do I fix that?

Reviewer: Gamingmouse64 - ★★★★★ - July 19, 2023
Subject: Yes.
Yes.
